The pig project

You may remember in our previous report we highlighted the increasing costs involved with the pig project and the opportunity we provided to brethren in Guinea to investigate alternative projects that may be more achievable and with less financial burden. To date Belle Vue congregation have decided to pursue growing vegetables instead. Otherwise, all the other brethren involved have decided to continue with the project. Below are a couple of excerpts from reports regarding the pig project. The first is from Sokoura and the second from Mohomou. Please keep this and other efforts of brethren in Guinea to help provide for themselves and the work of the church.

1. **Children's pig project:** we thank God and Sister Marie praised
2. The project is progressing very well and this will help us to carry out some physical projects such as the renewal of the children's class; As we had announced to you, during December 31st we killed a pig for the children and sold a total of 2 this sum will help us to renovate the children's building and to build some boxes for the pigs.
3. As noted in the reports, the support fund of the Church on the Australian side is used for the maintenance of the pigs (food and medicine)
4. Thank you to the Guinea mission for its unwavering support and this project that God repays you a hundredfold in the name of Jesus Christ brings

P.S.: We would like to inform you that the pig project 🐷 is going very well by the grace of God, and within a year, it will begin to contribute to the work of God once again.

Baptisms

It is so encouraging to hear of the many recent baptisms in the congregations we support and the areas they reach out to. Just like in Australia, brethren in West Africa face ongoing struggles and worldly distractions. Please pray for the new Christians listed below:

Mory Keita, George Fayiah, James Kollie, Kpator Jallah, Sis. Yassah Kpakolo, Bro. Zayzay Kollie, Sis. Krubo Korlu, Aaron Tambo and the two new brethren in Bandalo Village.

Clockwise from top left: Aaron Tamba, Yassah Kpakolo and their mother Krubo Korlu at their baptism. Both Yassah and Krubo are visually impaired.

Support towards Bible School Construction – CAN YOU HELP?

Just a reminder that we have plans to travel to Guinea late 2026 to visit with brethren and to progress the construction of the bible training college as much as possible. This will include construction of the second floor (first floor roof) and second floor walls, and then the roof. We will also have the fit out to do including windows, plumbing, toilets, chairs, desks etc. that are all needed to make this a fully functioning facility.

We have broken down our support targets into \$15,000 goals as this is an achievable target. So far, we have \$21,444 towards achieving the remainder of the construction, so we are \$6,444 along the way to our next \$15,000 support target.

While we don't know exactly how much it will cost to complete the bible college, we estimate it will be between \$40,000 and \$50,000 American dollars which is approximately \$62,000 to \$78,000 Australian dollars. Please consider if you are able to help contribute toward this support target. If at any time you have any questions, please do not hesitate to contact us.

Keep in your prayers

As was noted in the previous report, brother Nestor Tonguino, an evangelist supported by Mission Guinea, had one of his legs amputated due to ongoing health issues. Nestor is now back in Conakry with his congregation. However, Nestor is still awaiting a prosthetic and is adjusting to his new circumstances. Please pray for Nestor, his family and the congregation in Conakry.

Other things to keep in your prayers:

- The 2026 Mission Trip plans
- The pig project
- The Fassavolu congregation in Liberia – for their faithfulness and rebuilding. Brethren from Voinjama, Liberia including brother Nathaniel Boakai, have been helping to restore this congregation
- The Belle Vue congregation have asked for prayers for good governance and peace, courage for the weak, their children, perseverance through the hardness of life, their plans to build a preachers lodge and children's class space.
- Brother Seraphin Sagnon and his ongoing health issues caused by paralysation.

Reports from those we support

Mission Guinea Group

January – March 2025

As we enter 2025, the Voinjama Church of Christ, quarterly report covers the following; financial support, baptism, Prison ministry, motorbike, Radio Programs, the construction of the children worships hall, and LISCO.

The Voinjama of Church is very grateful to the Lord Jesus Christ for firstly saving our lives and His work in saving souls and strengthening His Body here in Voinjama. We are also thrilled with the many prayers and financial supports from both the Niceville Church and Mission Guinea Group; may God bless us all as we remain faithful to Him and His work.

Baptism:

The Lord added four souls to His body during this period of reporting. Three of whom are visually impaired. The three are; Sis. Yassah Kpakolo, bro. Zayzay Kollie, and sis. Krubo Korlu. Brother Aaron Tamba is the fourth person received Christ.

Brother Aaron Tamba

Sister Krubo Korlu their mother who also visually impaired

Sister Yassah kpakolo, of the visually impaired

Unfortunately, brother Zayzay Kollie who is another visually impaired photo couldn't be depicted because, brother Peter Tennie phone got missing.

You can clearly see three of them through the attached video we have provided during their interview with Brother Peter.

Honestly, they have some challenges; we only pray for God intervention.

We are so grateful to God for saving these souls; we are getting them to service and back home through the bike.

Prison ministry

The prison ministry is active and running; we visit the prison every Sunday and other days when the need arises.

The two radios are in good condition and the inmates are very much excited with not just our presence at the prison, but our involvement in mediation processes to settle minor issues.

Motorcycle

The motorcycle was purchased in 2021 by the Mission Guinea Group to help the Voinjama Church of Christ to easily reach out other hard to reach areas and reduce transportation cost. The bike is now four years since it was purchased in 2021. All is about the maintenance and attaching value for the work it does.

The bike is in the care of Brother Peter Tennie; who have done very well with the bike. Brother Peter Tennie is the assistant minister of the Voinjama Church of Christ.

We are sincerely grateful to God for all the Mission Guineas Group for supports and prayers.

Radio Programs

The Radio Program is very active and the population cannot miss the presentations. It has brought many souls to the body of Christ here in Voinjama.

During the period of reporting, three visually impaired received Christ. We have attached a video recording for your consideration.

We are unable out load here because of the three interviews for the three of them. It is very much important to view these interviews to have a firsthand in-depth analysis of their situation coming to Christ.

The Niceville Church of Christ, a regular sponsor of the Back to the Bible Programs, was able to paid two hundred and ninety United States Dollars (**\$ 290.00 USD**) for the two programs.

✚ Sunday Program ----- payment was made from January –September 2025

✚ Wednesday Program --- payment was made from January –August 2025

After these payments, the balance of six United States Dollars (**\$6.00USD**) is kept to be added to balance outstanding full payment for 2025 which is (**\$ 106.00USD**).

We extend our sincere gratitude to the Niceville Church of Christ for all these supports and their prayers; may God bless them all.

Construction of the children worship Hall

Since, the few brethren who received Christ and the Mid-Baptist Church agreed to come over to Christ; the Voinjama church of Christ decided firstly, to build a worship hall in LISCO to avoid conflict with the building of the Midst Baptist Church.

The plan to build the worship hall failed; when they refused to allow us build because of some other influence from and within.

The church immediately convent a meeting to redirect the fund to the building of the children worship hall; this you see the project ongoing.

Our only challenge with be the zinc. We need about four bundles of 14 gages Zinc for roofing the building. For plank and other materials for now, the members will provide.

A bundle of 14 gage is \$ 60.00 USD X 4 = \$ 240.00 USD.

Dip storming the site for the children worship hall

Here we are now with the building LISCO

For LISCO, we still pray to go there and other areas, but the project cannot permit us now because of funding.

We also pray that if it the way of God that we keeping reaching out with people of LISCO, so let it be; if not God should direct us in other fields.

We are only sad because of the time and resources we have put in LISCO; but God knows why?

We will only concentrate on door to door engagement.

It is always our prayers that God will guide us in serving Him and we can fellowship in the Lord Jesus Christ together.

We always acknowledge your supports and prayers for the Voinjama Church of Christ and your support to other brethren around the world. May God bless you all as you serve the people of God.

Mission Guinea Group

April – June 2025

We are very thrilled for all that our Lord and Savior Jesus Christ have done for us all through these periods of our lives and given us the knowledge and guidance to servicing Him. We are also excited with the many prayers and financial supports from both the Niceville Church and Mission Guinea Group; may God bless us all as we remain faithful to Him and His work.

The activities cover this period of reporting; Baptism, the zincing of the children worship hall, Radio program, the prison ministry.

Baptism

George Fayiah

James K. Kollie

Due to the Back to the Bible Radio Program, a man by the name of Kpator Jallah from Fassavolu Town who has always followed the Radio Program, came to Voinjama City and requested to be baptized right away. We were so amazed that we did not hesitate but proceeded to the creek to baptize him. After the baptism, Bro. Jallah went back home but was always in contact with us. He then requested that we visit Fassavolu Town to strengthen the Church there.

On May 1, 2025, Bro. Peter and I visited Fassavolu Town based on the request of Bro. Jallah. Upon our arrival, we were introduced to some brethren including the Preacher who I knew before. Bro. Jallah suggested that we hold a meeting with the brethren including the Preacher who was said to be living in sin, so as to remind the brethren that as Christians, we are the light of the world. Therefore, we should lead by example to the world.

Given that all Churches of Christ are autonomous, we asked the brethren whether or not we could intervene? The brethren unanimously agreed for us to intervene in their internal affairs. Bro. Peter was asked to chair the meeting. Everyone was asked to speak his/her mind relative to the reason why the Church/Congregation in Fassavolu was declining. Among other things, it was established that some brothers including the Preacher drink alcohol and that he was engaged in extra marital affair.

The Preacher, like all the other brothers admitted that they drink alcohol. He also admitted being involved in an extra marital affair and had a child as a result of the illicit affair. He alleged that his wife had abandoned him for about eight years and relocated to Monrovia because he had rejected the relocation plan. The Preacher agreed to be reconciled to his wife and has taken substantial steps in this process by quitting sexual relationship with his girlfriend as we were made to understand. However, the wife is yet to officially accept him back.

The below are few of the challenges face by the Fassavolu Church of Christ that we identified:

1. None of the brothers that we interacted with is capable and or willing to take over as Acting preacher, given that the current Preacher is involved in sinful practices, as none of them with the exception of the Preacher and his wife was baptized prior to that day;
2. The Worship Hall is dilapidated, the ceiling tiles, door and windows had either fallen or about to fall;
3. Due to the sinful practices of the Preacher, some brethren left the Congregation, including his wife.

After the meeting with the brethren, we made few recommendations which were gladly accepted. We recommended that the Preacher repent of his sins and be reconciled to his wife. That, the preacher works with the brethren committed to renovate the Worship Hall. In the same vein, the Voinjama Church of Christ provided the sum of L\$1,000.00 as initial contribution for the renovation work. We recommended that the Preacher work with his wife family, children and the church to resolve the conflict between him and his wife.

After the meeting with the brethren that day, two brothers, namely, James K. Kollie and George Fayiah gladly accepted water baptism and were added to the church. We shared meal, took group photos and promised to return at a later date.

About three weeks later, on Sunday, May 25, 2025, Bro. Peter and Bro. Kpadeh were sent to Fassavolu Church of Christ to fellowship with the brethren. Based on request, the Voinjama Church of Christ sent one bottle of the Fruit of the Vine and bread for the brethren in Fassavolu Church of Christ. According to the report from bro. Peter and Bro. Kpadeh, the brethren in Fassavolu Town were glad to have them on the said date for fellowship. Bro. Peter and Bro. Kpadeh reported that the brethren in Fassavolu had already started the renovation work on the Worship Hall.

This the Fassovulu worship hall abounded because of preacher worldly behaviours.

According to the brothers, several domestic matters were reported that they could not have been able to resolve on the same said date. We are making frantic effort to resolve those domestic issues because if there is no peace in the homes, the Congregation feels it.

We will return there soon to follow up on those domestic matters that were reported, especially with the Preacher and his wife.

The Children Worship Hall

It a great joy that Our Lord Jesus Christ has given us this level of our project that is intended to help train, guide the children love and fear God when they grow. After, the completion of this building, we will have a full training and guidance of our children in godliness.

We so delighted for all the supports and prayers you make on our behalf for the Kingdom of our dear Lord and Savior for the successful project.

May we also knowledge the financial support from the Niceville Church of Christ who bought four (4) bundles of zinc (total cash of **(\$240.00 USD)**. The plan will be to plash, floor laying, doors and windows installation etc.

Radio Program

As stated above, Brother Kpator Jallah got baptized through the radio program. He has followed the programs according to him always and came to Voinjama and requested to receive Christ; which he did.

Bro. Kpator Jallah – Fassovulu, about 30 kilometres from Voinjama.

We received a full payment of the Radio programs; the sum of **\$106.00 USD** from the Niceville Church of Christ for the 2025. Cash balance in save is **\$4.00 USD**, which is brought forward. Many thanks for the Niceville Church of Christ for supporting the Radio Programs since its introduction. We so excited that the gospel is also spread through the radio; and is saving a lot of people in Voinjama and its environs.

Prison Ministry

We are still at the prison and our interactions are felt and hope to continue preaching the good news of Jesus Christ and His Kingdom.

It is always our prayers that God will guide us in serving Him and we can fellowship in the Lord Jesus Christ together. We always acknowledge your supports and prayers for the Voinjama Church of Christ and your support to other brethren around the world. May God bless you all as you serve the people of God.

2- **GENERAL INFORMATION ABOUT THE CHURCH**

At the beginning of this year, we thank God for His blessings in the lives of our brothers and sisters in Christ.

As our Lord recommends to us, we always remain steadfast in the liver with enthusiasm and perseverance as we progress in the great mission that our Lord Jesus Christ has entrusted to us in Matthew 28:18-20.

As a result of this work we had a soul who was saved by the name of Mory Keïta

The fasting and prayer, Bible study, and prayer program throughout the week remains on Wednesdays and Fridays.

On Thursday, April 10, 2025, the young people of the Church are organizing a youth seminar for the sister churches of the commune of N'Nzérékoré, whose theme is "fasting and Christianity.

In addition we have one of our brothers by the name of Seraphin Sagnon who suffers from tension there is a side of his body that is paralyzed so we ask you to pray for him for his recovery

1. **Children's pig project**: we thank God and Sister Marie praised
 2. The project is progressing very well and this will help us to carry out some physical projects such as the renewal of the children's class; As we had announced to you, during December 31st we killed a pig for the children and sold a total of 2 this sum will help us to renovate the children's building and to build some boxes for the pigs.
 3. As noted in the reports, the support fund of the Church on the Australian side is used for the maintenance of the pigs (food and medicine)
 4. Thank you to the Guinea mission for its unwavering support and this project that God repays you a hundredfold in the name of Jesus Christ brings
 5. **My personal work**: I still continue to do the same activities that I often point out to you in my reports, that is to say preaching in the Church as well as on the radio, evangelism, and visiting the members of the Church from the 13th to visit the sister Churches in the forest region
- **Family situation**: by the grace of God for the moment everything is fine in my family I am in good health with my family despite the cost of living of our country born not at all easy but we count and trust in our God almighty to change the data of our dear country

Radio broadcast

We thank the American brothers for their financial support for the success of this very important work for the proclamation of the Gospel

of Jesus Christ, we always continued to do this work with Brother Maxime Théa who helps me a lot, today we are in our 12th year at the same radio, we receive calls from our listeners live to encourage us and appreciate the teaching, to give us so to ask us questions, on the other hand asks for personal studies we have one of our listeners who began to visit the Church who is Mohomou located, during the past three months I have been teaching the plan of salvation which was entitled: God, Life and Men; For this term I would have to teach: you are a Christian, always the show is on the same time between 5 p.m. and 6 p.m.

The expenses remain the same as I report in case there is a change I will keep you informed.

Thank you to the American brothers for their help in the success of this work, may God be with them.

3- **Queries or recommendations.**

Brethren, Once again we thank you for everything you have been doing for us and continue to do for us. May the Almighty God continue to bless you.

Dear Brethren. It is a joy to update you on the activities of the local congregation of Belle-vue for the past quarter from April to June 2025. We hope that these updates will meet you in good health. We are grateful to God for allowing us to see the end of another quarter in good condition not regarding the difficulties of life that are increasing day after day and because of these, many are getting discourage and the number of believers are decreasing as the days go. We pray that the same God that is granting us with His grace and mercy is also doing you the same as well. We are thanking Him for He making us to be part of the same body of His son. We are all doing fine in the congregation and we hope you are doing also both in physical and Spirit.

Our report is arrange in the below form :

SPRIRETUAL ASPECTS

PHYSICAL ASPECTS

THANKGIVING

REQUEST AND

ATTENDANCE AND COLLECT.

Spiritual aspects. We continue with our every Sunday meeting which is constant and at the same time 9 :30 AM to 12 : 00 PM. We are still on the same theme what is the Church of Christ ? and this theme helps us to understand a lot about the Church. Our fast and prayer are observe on every first Thursday of the month. We go for visitation from time to time to encourage the weak. The preachers' meeting and visitation continue to encourage ourselves and also the rotation of the preachers went well but we observed that the waekness is all over and the decrease in attendance is every where we went. The one day seminar that was organised went well and the speackers presented very well their topics and we thank God for them but there was very poor attendance and even the brethren from other congregations did not show up as expected . see photos of the seminar.

We also observe the quarterly fellowship lunch callel fratanal meal at the en of the quarter to promote love and unity. See photos of our last fratanal meal.

Physical aspects. There are a lot of things we are plaing to do but the lack of means is what stoping us but nevertheless, we have two main projects that we are willing to under take and by the grace of the Almighty we will start. The first is the laying of the fondation of the preacher lodging and the building of the children class. We are kindly asking for your prayers and supports for realisation of these projects.

Thanksgiving. First of all, we give thanks to the Lord for His blessings and protections upon us all. We equally thanks Him for granding us the gift of birth up to date. I personally thank the Almigty for my family and His family that He made me her leader. We are all doing well in bodies despite the life challenges and difficulties we face everyday that are making many to drop from the faith. We also thank Him for the truth He had made us to know and for the worship that we have every week. We thank God for bringing some of our projects to reality such as the payement of the worship place and our one day mini – seminar to pass well. And we thank all those that toke part in it and those that supported us both physicall and morally may God bless you all. We thank God and thank you brethren so much for you supports both for the congregations and preachers both from America and Australia. We received them all and we pray that the Almighty God continue to bless you and your families in Christ name. Amen.

Prayer Requests . we are asking you to join us in prayers on behalf of the gospel that God Himself will give courage to His people for the weakness and discouragement have over taken so many brethren and it is increasing everyday. Please pray for our children and brethren that toke the examenations for God’s blessings so that they all will come out with victory. Pray also along with us against the hardness of life for the cost of living now is not easy and this is one of the reasons behind the fall of many today from the faith. So please pray for us so that God can have mercy upon us to help us provide our needs. Let us pray for good government and peace in the world. Let also pray for peace and unity in our congregations and good health for all the brethren in the world. We are asking for your

prayers and supports for our activities and we equally ask you to pray for us that God will bless us to support others some days.

Jean Baptiste Grovogui –3rd July

Good morning brethen, last Sunday we had a wonderful lesson about Church unity from brother Gnama Grovogui.

And I had a privilege to talk about the importance of being a Christian in order to encourage our visitors to get baptized.

The importance of being a Christian according to the Bible is based on several fundamental truths that concern the relationship between man and God, salvation, eternal life, and the meaning of existence. Here are the main points:

1. Accessing salvation and eternal life

> John 3:16 – “For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life.”

Being a Christian means believing in Jesus Christ as Savior and Lord. This faith allows one to be saved from sin and receive eternal life with God.

2. Living a personal relationship with God

> John 14:6 – “Jesus answered, ‘I am the way and the truth and the life. No one comes to the Father except through me.’”

Christianity is not just a religion, but a living relationship with God through Jesus Christ. It is through Christ that we know the Father.

3. Being transformed and living a new life

> 2 Corinthians 5:17 – “Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here!”

Being a Christian changes our way of living: we become a new person, guided by love, truth, and the Spirit of God.

4. Finding a deeper meaning in life

> Ecclesiastes 12:13 – “Fear God and keep His commandments, for this is the duty of all mankind.”

Christianity offers an answer to the purpose of life: to live for God, worship Him, and follow His ways.

5. Being part of a community of faith

> Hebrews 10:24-25 – “And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together...”

Being a Christian also means being part of the body of Christ (the Church), a spiritual family that supports, prays, and grows together.

6. Being a bearer of hope in this world

> Matthew 5:14 – “You are the light of the world.”

A Christian is called to reflect the love of God, to be light and salt in a world full of darkness.

First of all, receive our most sincere and distinguished greetings in the Lord!
I come very respectfully in the precious name of our Lord and Savior Jesus Christ to
present to you our activity report as follows:

1. By the grace of God and through your prayers, I continue to preach in the church of Solondonin, and everything is going well among us.
2. Likewise, we continue to fast and pray every Friday to strengthen the brothers and sisters.
3. We also kindly ask you to assist us in prayer for the construction project of the Bible school in N'zérékoré, so that God Himself may open doors to complete this work and begin the Bible courses.
4. I also plan to travel to Conakry to visit my brother in the faith, Tamba Nestor Tinguino, who is ill. So, if you could help me with 150 dollars, it would be greatly appreciated, because Nestor and I shared many hardships together on the road to Cotonou for Bible training, and he is very dear to me.
