The Mission Guinea working group last met on the 30th of April 2022. The following is a report of major happenings and an update of support.

At the end of the report you will find a number of reports that have been sent through to us by our brethren in Guinea. These reports are uplifting and a good reminder of the difference your support is making in Guinea and to the Church there.

Support Update

Please refer to the attached statement of Income and Expenditure (Page 4) for detail on Mission Guinea support. To date, a total of \$137,691.54 has been provided in support. This is an amazing effort and is helping our brethren greatly. For the bible school construction, we are now working toward our third phase support target of \$15,000 AUD. This third phase of support is to go toward construction of the second floor of the bible training college. So far, \$11,675.89 of support has been provided toward this goal.

Reports from Guinea

As we in Australia have returned to some normality, so have many places around the world including Guinea. The threat of COVID is still there but is manageable. However that being said, normality for some of our brethren in Guinea is still dealing with other issues in day-to-day living. Please continue to keep the brethren in Guinea in your prayers.

Below are some highlights and things to pray for from the reports we have received. We are thankful to the brethren in keeping us updated on what is happening in their congregations and informing us how the support is used. A full copy of these reports is attached to the end of this report. Please note that some reports are supplied in French which is the common language used. We have supplied a translation of these after each report. As is our normal process we are following up those who haven't reported and will keep you informed.

L 'EMISSION RADIO FAMILIA FM 105.3 CONAKRY:

The Radio preaching happens every Tuesday night from 9-9:30 p.m. which is very impressive to listeners, as the teachings of the doctrine of the church of Christ are biblically unique and we thank the donors who sponsor this show. We pray that God bless them in Jesus name amen!

This year 2021 has been a year of great epidemic crisis on a global level with the disease Covid 19. This has meant that preaching on the Radio has not been successful like in the past. Nevertheless at a certain time when the church did not meet during the times of confinement the Radio allowed us to give the message of God and the faithful listened from their homes, which encouraged people to keep hope in God . The listeners were very attached and faithful to the broadcast which was the only possibility to listen to the word of God at this time. Many were asking various questions about the covid 19 disease, - Why does God accept such things among us as his children, since he has the power to take care of everything?

-- Why God continues to keep the Devil on the earth that sows trouble, - Is it really the end of the world that has come?

- Etc...

Despite everything at the beginning of the year, we baptized a student who was faithful to the show and asked a lot of questions and who finally became a Christian, we give glory to God for his saved life.

We thank the donors of the show for the efforts and pray God to bless them all in the name of Jesus Amen!.

HEALTH SITUATION IN THE COUNTRY/COVID19 AND EBOLA

Now we thank God the places have opened as ordered by the government. Nevertheless we give glory to God.

Dear brethren,

Greeting to you from the brethren of Bellevue congregation in the mighty name of Jesus our Savior. Here is the report of activities in the local assembly for the past three months from October to December 2021.

3. Statistics on the Sunday service attendance, collect and baptism

Fast and prayer take place every first Saturday of the month. Church attendance varies by worship service. No soul was converted in the last quarter, home visit is regular and involved all members on Sunday evening. All the families are doing good in health except our sister **Helene** who went under surgery on October 21st as well as brother Zomy's daughter on November 07 suffering from the appendicitis disease, the surgery succeeded and are now doing well grace be to God.

The 2021 youth bible camp remains our plan but is not yet possible due to Covid-19 restrictions imposed by the government as well as the political situation of the country for the past four months. Therefore, we hope reschedule it for the new year if God agrees.

- II. **Physical activities:** the congregation continue to maintain the pigs in the pigsty initiated by Guinea Mission. Wood was replaced and flooring reinforced. All the pigs and piglets are growing well as you can see them in the photos below. Sokoura received two piglets from our piggery to help start theirs. Plastering of the worship edifice was made possible thanks to the fund sent by of Niceville church. This helped the assembly so much.

Jesus our Lord

The church came together over December 31st night to thank God for the past year and pray for His protection during the new year. Fraternal meal was shared by members and visitors during that time.

Our thanks to you for making the Lord's work to progress through your prayer and financial assistance. We received **GNF 433 000** from the Guinea mission as congregation assistance in meeting some needs. Thanks also to the Millers who made possible the December 31 watch night programme through a financial support.

The plastering work of the edifice is over and below are the photos. The sum sent for that purpose \$273 was used to purchase cement and sand as well as labour cost payment.

A sum of **\$300** was received from the NiceVille as support to Bellevue work. The church has decided to paint the worship edifice and dig a toilette. May God also richly bless you.

Jesus our Lord

- V. **Request:** please be with us in prayer for the peace of God in our country and all over the world. Be informed that some months ago the country was virus free but presently the Corona virus is gaining ground. This resurgence is bringing things back to abnormal so we need your prayer.
- We also urge you to continuously pray for us for the organization of the youth Bible camp.
- As we all enter the new year we pray to God for peace of heart and good health for all His children around the world.

SAMOE CHURCH OF CHRIST

ANNUAL REPORT FOR 2021

Dear brethren,

We greet you in the name of our Lord and saviour Christ which we hope will meet you in good atmosphere. We thank God for sparing our lives up to this moment despite the pandemic that's roaming around the world and destroys lives. And we also thank you for your enthusiasm towards the Lord's work in Africa and some part of the world. May the Lord bless you and help us to make Heaven.

In this annual report, you are going to see the progress of the church both physically and spiritually and these consist the followings:

- ❖ Spiritual Achievement
- ❖ Physical achievement
- ❖ Future plan.

SPIRITUAL ACHIEVEMENT

We thank God for making us strong in His kingdom. We have our family rotational Bible study after the worship on Sundays, Evangelism and visitation on the other days in other villages, we also have our regular congregation book study on every to Thursdays and the attendance is encouraging. Also because of the love that the Lord has for humanity, He added another two (2) souls to His church in 2021.

PHYSICAL ACHIEVEMENT

We thank brethren from Niceville Church of Christ for sending funds for agriculture training and the training was done. The brethren from other local churches. Invitees and brethren from Samoe church herself benefited, prepares them to be self-sufficient and how manage their meagre plot of land. We also engage in small size of ginger garden. Also thank brethren from Gipp's street church of Christ for the children pigs project. The project is progressing.

FUTURE PLAN

In our spiritual plan, we plan to reinforce and cover more territory in term of evangelism, organizing gospel meetings and win more souls to the Lord. In our future physical plan, we taught it wise to open a school from kindergarten to grade six (6) level where the children will be taught fundamental elements of Christ and when they shall grow up in it, they will not depart from it (Proverbs 22:6). Because the future of the church depends on how the truth is inculcate into children. From the experience we have on the evangelism field in Samoe and its environs, the denominations use this means as source of evangelism to win more souls to their falsehood. As one of the things for us to do for the truth to overtake the falsehood, the school is needed and we need your help financially, morally, and spiritually as usual. And these are the expected results foresaw.

Expected Results of the institution (School):

- It helps to prepare future leaders of the church.
- It helps to indoctrinate some students that are not of the church before leaving and then, they may be saved. Also it can help to evangelize the parents of the students and even co-workers that are not yet Christians.

- It can serve as a means of support for some evangelists from the church.
- It also increases the employment rate in the church.
- The revenue generate may be used for immediate need of the church, widows and orphans.

We thank you for your engagement towards the work of the Lord in Guinea and the whole world at large. May the Lord richly bless you (AMEN).

In Christ,

Brother Sam Williams for Samoe Church of Christ.

Voinjama Church of Christ Quarterly Activities Report –January – March 2022

Mission Guinea Group

March 28,, 2022

It is always a pleasure for the Voinjama Church of Christ to share with you the activities update as we serve in the Kingdom of Jesus Christ.

Greetings; and our activities update doing this quarterly report covers the following; baptism, Prison ministry, bike usage, Back to the Bible Radio Programs , the released of underage inmates, conducted a funeral service, the digging of river sand and hosted two SDA pastors to the Back to the Bible Program.

Baptism

An elderly woman in person of Korpo Barysah got baptized on March 6, 2022; and it was so amazing that she just got up and said, I want to be baptized. She is the mother of sis. Kormassa Zaza, who got married and has moved to the husband's church. She Kormassa, is no longer a visitor of the church. We informed you that in one of these activity reports that, it is a custom here that denominational churches normally forced their wives to move to their place of worship. She is regular in service.

Prison ministry

As you are aware that we are at the Voinjama Central prison, by the guidance of our Lord and Saviour Jesus Christ, we intervened in the release of two underage inmates in persons of Joe Baysah and Prince Akoï. The Church is actually respected by the court here in Voinjama.

We still have three of the brethren who received Christ in prison; Kalilu, Jerry and Weegie. They are okay by God's grace and pray for their release.

The bike firstly is in a very good condition and it serves the purpose intended for; outreach, visitation, radio programs, prison ministry. We are excited that with the bike, we have less cost of reaching out the church activities. We express our continue gratitude to all the

brethren for all the assistances given to the Voinjama Church of Christ. You are actually preaching the gospel of Jesus Christ through these supports.

Funeral service and interment:

Brother Peter Tennis, the secretary of the church aunty passes on here in Voinjama on March 18, 2022 and was a member of the Mid-Baptist Church in Lisco Town. Through brother Peter, we were asked to conduct the funeral service and interment on March 21, 2022. As part of the Lord's Kingdom to preach the gospel to all, we accepted and conducted the services. We have attached photos of the activities.

Previously, they have requested the Voinjama Church of Christ to visit them and teach the Bible in Lisco Town, Voinjama District. We have been trying to set a time but challenged with funds. We decided, to use the bike and carry at least 4 persons in April 2022.

Digging of Rive Sand:

We have been praying to God for us to put floor tiles in the worship hall, we dug 4 pickup loads of river sand and transported it to the building. For now, we do not have the fund to purchase the tiles, cements, and transportation. As a result, we decided to dig the sand and later request brethren to help with the purchase of the floor tiles, cements and transportation. For the sand and workmanship, the church here will shoulder that responsibly. We have attached photos of the digging of the sand.

The Back to Bible Radio Program

We are very much grateful to the Lord for the Niceville Church of Christ for the payment of the both Back to the Bible Radio Program. We received the amount of two hundred and

seventy United States Dollars (**\$ 270.00 USD** for Radio, Voice of Lofa and Radio Kingtoma. Each month, is 20 USD for Voice of Lofa and 10 USD per month Kingtoma.

Payments were made for both Voice of Lofa and Kingtoma. We was able to paid to Voice of Lofa the whole year 2022, the total of two hundred and forty United States Dollars (**\$ 240.00 USD –January –December 2022**) and Kingtoma, we paid for three month (**January –March 2022**). So, we have April to December 2022 payment outstanding (**\$90.00USD**) for radio Kingtoma.

The SDA Church here in Voinjama is also on the radio teaching their doctrine and allowed people to call on the show; and we have been calling there, but it has been a challenge for us when we called. We therefore decided to bring them for us to discuss the Sabbath worship, Ten Commandments, ordinances, statues and the law. We asked them to send one person to sit with me to discuss these doctrines but sent two persons. You can find that discussion on the Voinjama Church of Christ Back to the Bible Program. Because of this meeting with SDA Church, we are going to expand more on the Sabbath worship and the Ten Commandments.

Kindly be informed that we have a lot of listeners in Lofa and around the world that follow the Back to the Bible program. We have a brother in Kenyan who also monitors the program. His name is Kennedy (first name). His cell number is: +254 710765505. He called me and requested us to visit him in Kenyan to teach the word of God there; and the answer was that, if the mean is there, we are willing. I forgot his last name. If you wish, you can call him to find out.

Kindly pray for the Lord Church here as we present the gospel to the people of Lofa and the world and that we remain faithful to Christ.

We have attached some photos for review and consideration.

In Christ

Fast and prayer take place every first Saturday of the month. Church attendance varies by worship service. No soul was converted in this quarter, home visit is regular. Youth class is organized on Wednesday to help you understand the scriptures through tasks assigned to them to explain chapters from the Bible. All the families are doing good in health.

On February 12th the local assembly proceeded to the induction of evangelist Amos Kpoyor as official preacher of the church. The ceremony took place in the presence of the assemblies of Sokoura, Mohomou, Samoe, Kouankan and Laine in a festive atmosphere.

Brother Zomy and Amos took part in the preacher rotation which consist of visiting sister churches. All the local assemblies were visited according to the evangelists planning from Macenta to Laine through Kouankan and N'Zerekore.

Zomy's report on the rotation is attached in the email.

- II. **Physical activities:** the congregation continue to maintain the pigs in the pigsty initiated by Guinea Mission. All the pigs and piglets are growing well.

faithfulness for the grow of the congregation and also keep the members in a brotherly love to serve our Lord.

We also ask you to continuously pray with us for the organization of the youth Bible camp as vacations are getting closer. We plan to make new benches because some of the old ones have been defective and are removed, which causes reduction in the number and seats.
