

## Mission Guinea Support Update September 2023

Many thanks for your continued support and concern for our brethren and the Lord's Church in West Africa.

Our most recent meeting to discuss the work was on the 8<sup>th</sup> July 2023. Apologies for the delay in preparing and distributing this update. Please find following a brief update of key highlights, followed by a selection of reports from brethren in Guinea and Liberia.

Please circulate this update to all who you think may be interested. If you would like additional information, please see our page on the Gipps Street Church of Christ website (<https://www.gippschurch.com/mission-guinea>) or contact us via email at [guineamission@gmail.com](mailto:guineamission@gmail.com).

### **Second floor elevation bricks installed!!**

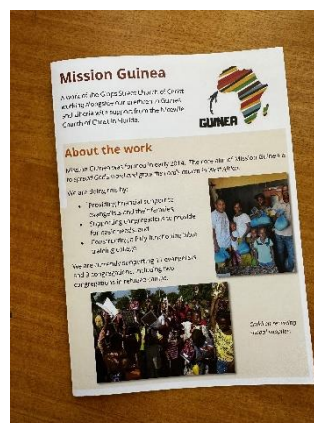

You may recall in our previous supporter's update, we reported on the progress of the bible training college construction where the second floor was installed, but the walls were yet to be completed. We are excited to report that the second floor elevation bricks and the walls are now completed. This is a great effort by local members of the church who used their building skills and knowledge to work together to complete this phase.

*Progress made on constructing the bible training college (July 2023)*

## Mission Guinea Handout for distribution

Recently a brief report of the work in Guinea was provided to brethren who were attending the annual Gipps Street Church of Christ lectureship. The single page flyer outlines the work and key goals including the Bible training college, support for evangelists and congregations and empowerment projects. If you would like a copy of the handout, please contact Mission Guinea on our email.

## Bible Training College support update

Our next phase for support will be going toward the installation of the third floor, or the roof of the second. We are calling this stage 3b. The support goal to be able to complete phase 3b is \$15,000.

To date, \$5,648.89 has been provided toward phase 3b.

The fourth phase Part A will be building the brick walls of the third floor and the roof. The fourth phase part B will be the fit out (furniture, painting etc.).

Please keep the construction of the college in your prayers. This is a long-term goal, but progress is being made and we are thankful to all who have and continue to support this work.

## Reports from those we support

A selection of reports from Guinea and Liberia have been included (please see attached)

- Sam Williams – Samoe (5)
- Phillipe Tolno - Gueckedou (17)
- Voinjama (6)
- Moses Sesay (19)

Not all reports can be included as some are in French and either a photo or scan taken. These can not easily be translated. Below is a photo that was taken from the Kissidougou report. It shows the brethren there receiving supplies as a result of the support provided through Mission Guinea.

*Brethren in Kissidougou receiving their bags of rice purchased through the support provided through Mission Guinea.*

**We appreciate your support of Mission Guinea and ask that you keep this work and the brethren in Guinea and Voinjama- Liberia in your prayers.**

**ACTIVITIES UPDATE**  
**VOINJAMA CHURCH OF CHRIST**  
**VOINJAMA CITY, LOFA COUNTY, LIBERIA**

**Mission Guinea Group**

**April - June 2023**

We are very much grateful to our Lord for our calling to His body; and helping us to also go out there to share the good news of His Kingdom to the world.

During this quarter of reporting, we had the privilege to have carried out evangelism, Baptism, Radio programs, Cassava farming, and prison ministry, purchased a PA system, our regular worship services and challenges.

**Evangelism -- LISCO**

We decided to reach LISCO Town for our regular engagement with the people, especially the Mid –Baptist Church.

The Mid Baptist Church has requested that we keep visiting them; June 16 -17, 2023, we moved to LISCO for two days evangelism. On Friday, June 16, 2023, we conducted an open gospel meeting; there were preaching and teaching. After the preaching, we asked that the people suggest the topic for discussion. A young man suggested “ women leadership in the

Church” (the Lord’s Church). That was an interesting topic; it was fully discussed with Bible references.

We realized that the question came because; there was a woman, in the midst of the group from the Pentecostal Church servicing as pastor. So this young man wanted to know whether it is Biblical for a woman to serve in this position.

On Saturday, we met with the Mid Baptist Church and Pentecostal church members in the place where the Mid- Baptist Church’s worship center.

This Saturday gospel meeting at Mid Baptist place of worship. The topic: The Church.

On the way to LISCO; we met with a bad hill and everyone is disembarking from the vehicle.

Brother Peter Tennis, on the bike right behind us to LISCO; the bike is the frontline service for quick travel to reach brethren and those in need, if we have to meet them in time.

### **Baptism:**

The totals of four (4) persons were added to the Body of Christ during this reporting period.

The preaching and teaching on women leadership were okay, that the woman cannot lead the church based on Bible doctrine. Upon the gospel meeting in LISCO, two females were added to the body of Christ.

**Other souls added to the Body of Christ, after listening to the gospel are as follow:**

Sis. Famata Wombah, an elderly woman who has been visiting the church got her water baptism. She was so eager and is active in the service.

Our prayer now is the souls added to the church in LISCO. Kindly pray with us and the souls in LISCO so the we can the church there.

## **Radio Programs – (Twice weekly on Voice of Lofa Radio – Sunday 8:00 AM -9:30 AM AND Wednesday 5:00 PM – 6:00 PM)**

**All these programs are now on Voice of Lofa Radio; because of the high cost of Kintoma Radio Management.**

The programs are very regular and a lot of people listen here in Lofa, Guinea, Sierra Leone and on internet- Facebook. We are getting positive feedbacks from through these messages, the gospel. Our only prayer is for the Lord to add those who have not come to be added; and those added remain faithful to God.

In the past, the programs have brought and continue to bring a lot of people to Christ; and we are prayerful that the Lord will add more and more souls to Himself.

You may want to watch some of these presentations, you may go to –“ Voinjama Church of Christ Back to the Bible Program.”

## **Farming (Cassava Garden)**

The Church decided that 2023, we should engage in farming; and there were discussions among ourselves on which of the area would be preferable?

It was totally agreed that we venture in cassava gardening for now and in the future, there could be other plan.

Through brother Peter Tennis, we negotiated for the land and it was clear that we were only going to plant cassava on the land for now. By the grace of God, the land owner agreed and we give God the glory.

We feel it is important to work with our own hands to bring some credit to ourselves not to be idle; an idle church is hard to grow.

We started the brushing and at the same time going out there to get the cassava sticks; we were successful.

Brushing of the bush—few photos

Cassava sticks for planting, with the red trouser, is brother Saah John, the work chairperson.

We have completed the planting of the cassava sticks already and now waiting for germination.

## **Prison Ministry**

As part of our mission to go out in the world, we did not forget the prison. We have been there and with the help of our Lord and Savior Jesus Christ, souls have been added,

counselling, and mediations and other materials supports have been provided. We still have brother Kaliu Boakai in prison. We pray, the Lord will, one day have him released.

Lots of mediations and home settlements have been done through the Voinjama Church of Christ. We can only give God the glory for all that we done and continue to done.

The prison authority has always recognized our effort and presence at the prison alongside family members and the court.

## **Financial Support**

We were so excited to have received a fellowship of six hundred and twenty-six United States Dollars (**626.00 USD**) from Niceville Church of Christ to purchase a PA system (amplifier). We already sent you the photo and receipt for your review.

The amplifier is very important for gospel meetings and open air preaching; the only challenge is that we don't have fund to purchase a generator. In these few time, we have to rent one. This will coat us a lot of money if we keep on this path.

In our update to you, we mentioned that, it will cost us two hundred and fifty United States Dollars (**\$ 250.00 USD**) to get a generator.

I personally with my family extend thanks and appreciation for the stipend. It is a great help to us and we are grateful to God for you all.

## **Our Regular Worship Services**

We thank God for our worship services and for those He has added to His Body. We pray that God will guide us in studying His word and can only service Him from what He has given us.

## **Bible Class Topic, June 2023: Christian Giving**

We thank God for all the support you are given the Voinjama Church of Christ. We pray that we remain faithful to God and that God will add more souls through your followership.

With the amplifier, we are still challenged having a generator. We will be very must thrill if we can get one among the brethren; that will be a boost to the evangelism team.

For the moment we give glory to God because we are making our effort to help the church achieve spiritual progress it shows worship that we pay to GOD every first of the week, visits, and encouragement of each other.

- We had two cases of baptisms: Brother Pascal Koulemou and Brother Isaac Guilavogui

**Evangelization:** As pointed out in this year's first report and in our plan of action, we continue to go out always in search of lost souls to be saved by the power of the gospel so that on the last Sunday of June we observed our fraternal meal.

We preachers of the commune of Nzérékoré, had rotated in the different congregations of the city to encourage the brothers and sisters to work for the progress of God's work in our environment.

## **1. PHYSICAL ACTIVITIES OF THE CHURCH**

As of this quarter we have not been able to do physical activities rather we are mobilizing financial resources for the realization of the physical activists that we have planned such as the construction of the preacher's office, the fencing of the place of worship, the finalization of the house of the preacher and foreigners, The realization of a for-profit project to provide financial support for the work of the Church, we want your financial support to help us achieve these different activists.

1. **EMISSION RADIO** :
