

Many thanks for your continued support and interest in the Church in West Africa. It is indeed a privilege to be able to support brethren together with you in both Guinea and Liberia and it is rewarding to see the church growing there.

Please find following a brief update of key highlights linked with Mission Guinea, followed by a selection of reports from brethren in Guinea and Liberia. Our most recent meeting to discuss the work was on the 30<sup>th</sup> July 2022. Our meetings are held each quarter, so if you have anything that you would like discussed, please get in touch before our next meeting on 8<sup>th</sup> October.

If at any time, you have any questions or feedback about this work, please contact us via our email - [guineamission@gmail.com](mailto:guineamission@gmail.com).

If you think others may have a desire to support this work, please forward them this report and direct them to our page on the Gipps Street Church of Christ website ([www.gippschurch.com](http://www.gippschurch.com)) for additional information.

### Baptisms – the church in West Africa continues to grow!

There have been a number of baptisms recently in both Guinea and Liberia.

Please keep in your prayers:

- Joseph N. Boakai, Kumba Saah, David Kemah (Voinjama)
- Aicha and Ismael Camara (Conakry)

## Travel to Guinea – It's happening – November 2022

Abraham Miller is intending to travel to Guinea and Liberia in November 2022. One of the primary reasons for this trip will be to progress the construction of the Bible Training College. An update on the construction is provided below. Abraham will also take the opportunity to visit with the Church in these countries to encourage them in their efforts and to gain a firsthand update on brethren and works supported through Mission Guinea. Please keep Abraham and his family, and the planned travel in your prayers.

### Bible Training College update – help reach the support target

For the bible school construction, we are now working toward our third phase support target of \$15,000 AUD. This third phase of support is to go toward construction of the second floor of the bible training college. So far, \$13,681 of support has been provided toward this goal.

We are aiming to reach our target by the end of October 2022. If you would like to provide support towards reaching this goal, please contact Mission Guinea ([guineamission@gmail.com](mailto:guineamission@gmail.com)).

In the meantime, progress is underway to start phases 2 and 3 of construction which are the first and second floors. Recently the surrounds of the building have been re cleared of vegetation to enable this work to take place. A portion of the support for the building has been sent over for the molding of bricks. Below you can see how this support was spent. One Australian dollar is the equivalent of between 6,000 to 7,000 Guinean Franc (fg).

No	Items	Unit cost	Total cost
1	103 bags of cement (42.5)	105,000fg	10,815,000fg
2	Workmanship	14,000fg	1,442,000fg
3	Transportation of cement	5,000fg	515,000fg
4	Gas for bike & other miscellaneous expenses	128,000fg	128,000fg
	Total		12,900,000fg

The brethren are expecting to mould 2,060 bricks. Moulding them now allows them to age and strengthen ready for construction. Below is a photo of the progress made toward hand moulding the bricks.

### International Children Day – Bus trip for children

The church in Conakry recently celebrated International Children’s Day with a bus trip for the children of the congregation as a time for the children to “rejoice and recreate themselves”. The bus also displayed banners which served as visibility for the church through the tour of the city in the big buses.

## **Support Update**

To date, a total of \$144,135.85 has been provided in support. This is an amazing effort and is helping our brethren greatly. Please refer to the attached statement of Income and Expenditure (Page 5) for detail on Mission Guinea support.

## **Keep in your prayers**

Specific prayer requests that have come from our brethren in Guinea or relate to the Mission Guinea work include:

- Spiritual growth of the church and the progress of God' work.
- The soap making project in Laine and Kuoankan refugee camps – involvement and success.

## GENERAL REPORT ON THE LORD'S WORK IN GUINEA FOREST

Dear brother Miller,

I hope all is well with you and the family couple with the church over there. Here are some general report bringing to you and we hope will meet you in good condition.

### ELEVATION BLOCK BIBLE COLLEGE.

On behalf of the Bible committee in Guinea, I am very sorry for the delay of this particular report because the site was bushy and we need to brush it and also clean it. We received the fund of twelve million, nine hundred thousand francs Guinea (12,900,000fg) for the molding of elevation blocks for Bible College. And this was it was used:

No	Items	Unit cost	Total cost
1	103 bags of cement (42.5)	105,000fg	10,815,000fg
2	Workmanship	14,000fg	1,442,000fg
3	Transportation of cement	5,000fg	515,000fg
4	Gas for bike & other miscellaneous expenses	128,000fg	128,000fg
	Total		12,900,000fg

We are expecting two thousand and sixty blocks (2,060) above because each cement produces 20 at least and 22 at most. When the work shall have finished, we will be able to know the overall total of the blocks produced. And some of the starting photos and cement purchased are attached.

### KOUANKAN AND LAINE SOAP UPDATE

As for the soap making in Laine, the soap production is going on well. The church has sold one million nine hundred thousand francs (1,900,000fg) and we are planning to engage some of the into agriculture because money brings money so that after harvest, we can return the money from soap project and continuing the soap production.

Concerning the soap project in Kouankan, the preacher man's said that the sisters are not serious and she is the only one that's doing the soap production. So the second fund sent for them is still with me.

We thank you for your effort and we are praying for the Lord to continue strengthens you in His service. And after the production of the blocks, vivid report will be sent to you and God bless you.

**II. Spiritual Activities**

Through the proclamation of the gospel a soul has been saved by the name of  
Tonhon Haba. Pray

for her. We organized a study session at the level of men, women and young people of the church on the following topics:

✓ Role of the woman in her home, in the church and in her community. ✓ Role of man in his home, in the church and his role model in the community. ✓ Relationship of the young person with his parents, the church and the world.

This helped each of them to know their identities in the body of Christ and the work to do for the progress of God's work and to make the different households happy.

### **III. Physical Activities**

We sincerely thank the American brothers for their support and to the assembly of sokoura. As I announced to you in one of my reports, the planking, the doors and windows of the guests and preacher's lodge are over. We still have the plastering of the exterior, the tiling and the painting and hands but the house can now be inhabited while waiting for the completion of the above mentioned activities. In days to come if all goes well the preacher and his family will move in it.

### **IV. Radio broadcast:**

We have been preaching the message of God on radio Zaly FM Liberté for 8 years thanks to the financial support of the American brothers, this program is happening in the best conditions and we always ask you to continuously pray for us so that it can touch the hearts of all who listen to it to become Christians. It is now scheduled on every Sunday evening from 5 to 6 p.m .

### **V. Pig Breeding Project**

For this moment project we say thank you to God because it is going on well and we take the opportunity to thank the Guinea mission for their support. The pigs are fed from the quarterly support they send to the church. We manage it to feed, maintain and treat the pigs. We also thank Sister Marie Loua who takes care of these pigs.

### **VI. Visit:**

Thanks to God because the brothers and sisters whom I visit lately are doing well in body though their living conditions are not very appreciable. The only unfortunate case we have recorded remains the death of the girl whom I often asked you to pray for while she was sick. She passed away last February.

This time I had the opportunity to visit the sister churches to worship together namely the local assembly of Samoe, Bellevue and Mohomou to encourage them.

### **VII. Family life:**

Thank God for his blessings in the life of my family, the family is doing well. My wife who was in pregnant gave birth to a big girl and the wife of my younger brother who is in Benin for Bible training also gave birth to a big boy so the babies and their mothers are doing well.

### **VIII. Request:**

Brethren, we ask you to pray for the spiritual growth of the church and the progress of God's work.

1. We ask you to help us find a new motorcycle because our motorcycles that we currently have are totally defective, it is no longer easy to use them in our travels.

2. We ask you to help us with a fund to make the fence around the place of worship.

3. We want to help our sisters of the church to train them in saponification so that they can help their different families so we are asking for your financial support to facilitate the work.

#### **IX. Conclusion:**

To end this report, we would like to thank all our brothers and sisters from far and near who contribute to the work of our Lord Jesus Christ in Guinea in general but particularly in Forest Guinea, especially the American brothers and the Guinea mission who do not spare no effort to bring us the moral, material and financial supports, we pray God that he grants you all kinds of spiritual blessing and that he returns to you the hundredfold of your work in the lord.

## Voinjama Church of Christ Activities updates April – June 2022

### ***Mission Guinea Group***

June 30, 2022

Greetings: Voinjama Church of Christ activities update as of April –June 30,2022 covered the Radio programs, Fellowship/ Niceville Church of Christ, Baptism, Prison Ministry, worship services, Evangelism and Challenges.

We are very much grateful to God for all the activities and to be able to worship Him. Our prayers have also been that He will help us worship Him in truth and in spirit; and go out to preach the Gospel of Jesus Christ to the world.

### **Radio Programs (Kingtoma and Voice of Lofa)**

Firstly, we are grateful to God for the programs and the support we are getting from the brotherhood to be heard on these stations. As we have told you in our past communications, the Niceville Church of Christ have always been a blessing to us in this direction. From these supports, Voice of Lofa has received the full payment for 2022 and Kingtoma.

Kingtoma Radio Station got burned down by unknown person and at present, the station is on mobile. We have not paid all the eight seven United States Dollars. We still managing with them until things are okay. There is a by-election for senator here in Lofa; it means there are huge political tensions here in the County among supporters of six candidates.

Through the radio program during the period, a soul was added to the Body of Christ. His name is bro. Joseph N. Boakai. He is regular; we pray, the Lord will strengthen him.

Brother Joseph N. Boakai

### **Fellowship- Niceville Church of Christ/Support**

We received the amount of eight seven United States Dollars (**\$87.00 USD**) from Niceville Church of for Kingtoma Radio Program. This amount was to complete the payment for 2022.

We want to expressed thanks and appreciation to Niceville Church of Christ and Mission Guinea Group for these supports. I want to also express thanks to Mission Guinea Group for the stipend I personally received and the motor bike that is in use to ease our distances.

## **Baptism/Evangelism**

The Lord added three souls during this period of reporting. Brother Joseph N. Boakai, bro, David M. Kemah and sis. Kumba Saah. Brother David M. Kemah received his baptism during an evangelism trip to Lisco outside Voinjma City.

Sis Kumba Saah

Sis. Kumba Saah

Mid – Baptist pastor with the Bible and brother David M. Kemah who received Christ.

Lisco evangelism meeting, this was done in the night.

The next photo in Lisco.

The Mid Baptist members in Lisco, after our two days evangelism tour there want to be added to the Body of Christ. The only challenge they have now as they told us was that, the man who established that church is not there in Lisco; and they will inform him and give us the feedback. It was concluded that we visit Lisco every month and we have decided as a Church to do so. Lisco is about 32 miles from Voinjama.

Through the Radio Program, this week, a church in Bazagizia requested that we visit them this coming week; July 1, 2022. So, we will leave for Bazagizia by Friday, July 1, 2022 and return on July 2, 2022, God willing.

Offcourse, the bike is our transportation system and recently, we have to use car to move brethren to attend the Lisco meeting; rented a PA system.

## **Prison Ministry**

The prison ministry is ongoing; we are regular with inmates, especially preaching the gospel of Christ there.

The two radios are still in there and serving the purpose of the advancement of the Lord's Kingdom at the Voinjama Central Prison.

We still have three of the brethren at the prison. Bro. Jerry, Weegie and Kaliu. We making some efforts to see their release. We pray that God will deliver them from the prison.

## **Worship Services**

Regular services on going and we are encouraging brethren to remain faith. We are now in the rainy season; trying to encourage each other to prepare for the rain as relate to our worship schedule and activities.

Pray with us, as we faithfully serve in the Vineyard of our Lord Jesus Christ.

## ***Challenges:***

Our challenges are few but very important. Public or open air evangelism is challenged without PA system and generator. In Lisco, that was a very big challenge. And with the building, we have not been able to purchase the floor tiles and also build the children bathroom.

For the PA system, we did some window shopping and find out that, the whole set **is 1,450.00 USD** (2 speakers, a generator, 2 microphones- wireless, amplifier). If possible, you also ask in the brethren for the price of the PA system.

We will highly appreciate, if the PA system is available to help in the public or open air evangelism; this is our prayer.

In conclusion, we are grateful to God for all the activities and pray that, He will provide the things that are lacking for the advancement of the Lord's Kingdom.

Pray for the release of the three brethren in Prison, that they will join us to worship together.

May God bless all the brethren who are engage and willing to see the Kingdom of our dear Saviour Jesus Christ win more souls and help us remain in the faith.

In Christ,

Nathaniel S. Boakai
