

Mission Guinea Support Update October 2024

Many thanks for your continued support and concern for our brethren and the Lord's Church in West Africa.

Our humblest apologies for not providing a supporters update for quite some time. We hope you enjoy this update. If at any time you have any questions or suggestions about the work, please do not hesitate to contact us at guineamission@gmail.com. Additional information can also be found on the Gipps Street Church of Christ website (<https://www.gippschurch.com/mission-guinea>).

Please circulate this update to all who you think may be interested.

Our most recent meeting to discuss the work was on the 12th October 2024. Following is a brief update of key highlights, followed by a selection of reports from brethren supported through this effort in Guinea and Liberia.

Evangelistic tracts and bibles for brethren in West Africa

We sometimes get requests from brethren for evangelism tools like tracts and bibles which can be hard to come by and afford. Recently, and quite unexpected, a contact was found in Liberia who owns and runs a printing press specifically for evangelistic materials (Facebook can be useful!). We are in the process of pursuing the option of having existing tracts printed and distributed in West Africa to help with evangelistic efforts. In addition, a group called Livr' Afrique, based in France, has been identified that can provide French bibles into Guinea at a reasonable price. While an order of 47 bibles was placed, a total of 59 were sent as a 20% discount was applied since the order was from a church. The bibles has now been received in Guinea.

Proposed visitation by brethren supported through Mission Guinea

Relationship of those working together toward a common goal are so important. While we have had a number of mission trips to West Africa, these have only been with a small number of people.

To grow relationships between those in West Africa and those that support the works of Mission Guinea, we have been discussing the idea of having an evangelist who is supported through this work to visit Australia and those who support them. While plans are in their early stages, we are hoping to have one brother from Liberia and his wife visit Australia in September 2025. Not only will this visitation help to grow relationships, but it will also be an opportunity to learn more about the Church in West Africa and how we can better work together. We will keep you informed of this exciting opportunity!

Support towards Bible School Construction – Plans in place

At our most recent meeting we discussed how to best progress plans for the next stages of the Bible School construction. With a planned trip to Guinea in late 2026, we are hoping to have everything purchased and as much support raised as possible to be able to do as much work towards completion of the construction while there.

What is left to construct? As you can see from the photo below, the ground floor and the walls of the first floor have been done. Next phase is to construct the roof of the first floor and put up the walls of the second and final floor. After this, the tin roof and all its supports will be installed along with windows, doors, fittings and furniture and painting and furnishings like curtains.

We have broken down our support targets into \$15,000 goals as this is an achievable target. So far, we have \$17,849.04 towards achieving the remainder of the construction, so we are \$2,849.04 along the way to our next support target. While we don't know how much it will cost to complete construction, we have been working alongside our brethren in Guinea to keep an eye on material and labour costs. Fortunately, these have not increased as much as expected. The most immediate next step is making the bricks for the roof of the first floor. This is so they can harden and become strong ready for construction. The bricks for the walls of the second floor have already been made and are ready to go!

Thank you to all who continue to contribute to this effort. This is a long-term goal, and together we are making great progress toward reaching it.

The Bible School construction progress so far.

Keep in your prayers

2- GENERAL INFORMATION ABOUT THE CHURCH

We thank and will give glory to our Lord Jesus Christ who spares no effort to make life possible for us through his blessings in the life of each of us. We are filled with joy by the various supports that you bring us every three or three months, whether it is spiritual, financial, and material, may the God whom we serve with all our heart and the almighty render to you a hundredfold in the name of our Lord Jesus Christ brought!

All the members of the Church are doing well by the grace of God and each of us is starting to do our part to please God, surely you will notice the decrease in the number of members at worship during this quarter this is due to the holidays of the students and the period of agricultural crops in our country so some members are moving to other localities, but our plans for the progress of the work remain the same, we had stopped the door-to-door evangelization because of the rainy weather so this week we are going to start this activity which is a very important mission for the Church.

We take this opportunity to inform you today 29/9/2024. The Church observed the fraternal meal that is held at the end of each term.

Radio program: during this quarter we did two months of program we took a month off because it was conoid to my annual vacation, so we have the activities at the beginning of this month with the theme: the Christian home today is our fourth week, thank you to the Church of Nashville who supports this program, Spending on radio remains the same, as we detailed during the second quarter

1. **Children's pig project:** Thanks to God and sister Mari with her family who have committed themselves to this project there is really evolution and we take this

opportunity to thank the Guinea mission for the support that sends the Church to support this project, so the support you sent was used for the purchase of food and medicine for the pigs, thank you once again that God has given you Give back a hundredfold in the name of Jesus Christ brought!

2. **My personal work:** as you already know, my work remains the same program, that is, to teach, exhort, encourage the brothers and sisters of the Church and thus to all the programs of the Church as well as preach on the radio, so as I indicated above, the month of August was my annual leave.
3. **Family situation:** Me and my family thank God for his various blessings who grant us in our lives through his mercy my family and I are doing well then we thank the American brothers and the Guinea mission for the support that sends us to help us solve some of our needs that God repays you a hundredfold in the name of Jesus Christ.

3- **Requests:** our requests remain the same what we asked for in the last 2023 report remains the same for now so we really want your support to help us achieve the goals we have set for ourselves by 2030. Especially if we can earn the copies of the bible as soon as possible, it will do us good.

4- **Acknowledgment:** we thank all those who from afar support the ministry of God and support us for the cause of the Lord and the advancement of God's work in Guinea more particularly the area of Nzérékoré may God the father of our lord and savior bless you abundantly in the name of his beloved son Jesus Christ brought. Once again, thank you that God watches over each of us in all our endeavors and helps us to advance his work in the name of Jesus Christ brought. Thank you for your attention to this report.

ACTIVITIES UPDATE
VOINJAMA CHURCH OF CHRIST
VOINJAMA CITY, LOFA COUNTY, LIBERIA

Mission Guinea Group

July – September 2024

We are excited and privileged with the many blessings of God and also through you for all your prayers, financial and moral supports to the Voinjama Church of Christ; and we are grateful to God for our lives and to serve Him.

During this reporting period, we were able to have done not much; but were able to have carryout the Radio programs; cassava farming, Prison ministry, our visit LISCO and our regular services.

Radio Programs

The Radio Program is not just some kind of religious programs but true Bible doctrines teaching that have attracted thousands of people in Voinjama, Lofa County, Liberia and around the world. These programs are constant twice weekly on Voice of Lofa Radio.

The Niceville Church of Christ was able to make payment for the two programs (Sunday – 8:00AM -9:30 AM and Wednesday 5: 00 PM -6:00 PM for 2024. May God bless you all.

The programs have brought a lot of Bible discussions among and between people and some pastors have now occupied themselves and other communities' members to these programs. We are getting more people attracted to the church through these programs.

Cassava Farm

The cassava farm is okay and the motive behind the farm is firstly to bringing the church more and more unifies and is able to feed ourselves as a church.

There are lot of discussions at the farm while the work is going on; especially questions about our faith.

Prison Ministry

We are very active at the prison by God's grace. Our presence at the prison mitigates some of the problems faced by the inmates, the prison authority and their families.

During this period of our activities, the Tenth Judicial Circuit Court, Lofa County, Liberia requested the Voinjama Church of Christ to follow on Augustine T. Flomo an inmate who was charged with burglary and terroristic threats. He was sentenced for five years; and the church was requested to counselling him for the period of two years.

After the two years period of detention, the court requested the church to give an update on his spiritual wellbeing. We did write an update indicating that Augustine T. Flomo, after the two years can make some difference in his life.

LISCO

As you may be aware of our outreach programs, LISCO has been our major focus because of the willingness of the people of LISCO to preach the Gospel of Jesus Christ there; especially the Mid-Baptist.

We informed you that the pastor in person of Yarkpawolo received Christ with three our persons.

Kindly pray with so that the Lord Jesus Christ will allow us secure a land for the construction of a worship centre to be able to move these brethren since we will not want them remain in Mid-Baptist place of worship.

We are also discussing this with them so that they understand the reason for which we should not use the Mid-Baptist place of worship.

Worship Services

Our worship services are ongoing and we pray that our Lord and Savior Jesus Christ will help us worship Him in truth and in spirit.

Our outreach programs have been limited because of the heavy down pull of rain this year.

We want to express our heartfelt gratitude to God and to you both the Mission Guinea Group and the Niceville Church of Christ for all the prayers and supports to the Voinjama Church of Christ.

May God keep remaining us of His service and our willingness to serve Him – Amen.

Nathaniel S. Boakai

On behalf of the Voinjama Church of Christ

Dear Brethren. We are grateful to the Almighty God for His love and mercy upon us all. For He has allowed us to see another quarter again. We bless God for you and your families and we pray that He grants the heavens as we work to extend His Kingdom in Christ name. See the arrangement of the report below:

Spiritual Aspects. Our regular Sunday service continues and it starts at 9:30 Am and ends at 12:00 pm. We have ended our previous Theme Our lives together. And we have started a new theme concerning the Church. What is the Church of Christ written by brother Baggott. And the teaching is done by brother Zomy. The Children class on Sunday after the service and our fraternal meal is observed every quarter. First Thursday of the month our regular fast and prayers meeting continue, third Thursday of the month door to door evangelism and our weekly bible study continue. Preachers visitation every month continues.

Physical Aspects. As you were informed in our previous report concerning about our physical activity. Because of harsh dry season and others difficulties that we experienced, we didn't undertake any physical project but by the grace of the Almighty God we have planned for next year.

Thanksgiving. We thank the Almighty God for His grace and mercy upon us here and we also thank Him for He making us to become one family. We cannot thanking Him because of His uncountable blessings upon us all. I thank for me and my family for keeping us alive and healthy. I also thank Him on behalf of the congregation despite the challenges, there are not major issues. For the socks that we had are getting better and the family that was going back are backed. We thank the Niceville brethren their supports in this part of the World towards the Lord's works and may God continue to bless you and your works. Our thanks also go to the Australians brethren for their supports for the World in general and for BELLEVUE in particular. We received all of supports thank you. This how now the funds are been used as we no longer have the Pigs. Because of the sum of the funds sent, a quarter can buy a bag of rice. Therefore. Two quarters can afford one and a half bag but with the help of brethren, two bags and a half were bought and we decided to do this in August because it is one of the hardest months in the raining season.

And the other to buy school materials to accompany the Children in this year. I also take this time to thank everyone that support us in anyway. Families and individual may God richly bless you all.

Requests. We Thank God for everything that He is doing for us. But we are asking you to continue in prayers with us. Pray for us against weakness and discourage because we obviously observed that many are been weak and discourage because of the time that we find ourselves. Things are just getting difficulties daily. Pray for us the leaders especially me for God's strength and wisdom. We are kindly asking for your supports towards the buying of our worship place that cost 21.000,000fg and

we have 8.000,000fg. Also the building of our children class. We are kindly asking for your prayers on behalf of our Continent for the recent virus breakouts called Monkey spots for God's protections upon His children. Also pray along us for our children for the devil is using some to bring discouragement to the parents.
