Mission Guinea Support Update

December 2022

Many thanks for your continued support and interest in the Church in West Africa.

Please find following a brief update of key highlights, followed by a selection of reports from brethren in Guinea and Liberia. Our most recent meeting to discuss the work was on the 8th October 2022. Our meetings are held each quarter, so if you have anything that you would like discussed, please get in touch before our next meeting will be held in January 2023.

If at any time, you have any questions or feedback about this work, please contact us via our email - guineamission@gmail.com.

If you think others may have a desire to support this work, please forward them this report and direct them to our page on the Gipps Street Church of Christ website (www.gippschurch.com) for additional information.

Abraham is in Guinea!!

Abraham Miller departed for Guinea 1st November and will travel back to Australia 31st December. Please keep Abraham, the Miller family and the work and brethren in Guinea in your prayers. The focus of Abraham's travel is to further progress the construction of the Bible Training College and to visit with and encourage the brethren we support.

The construction of the Bible Training College will include the first and second floors. Below are recent photos Abraham has sent through showing progress. We will provide additional updates upon Abraham's return. It is very exciting to see this long-term project progressing. Many thanks for your ongoing support of this work.

Photos: A. After some car troubles, Abraham made it safely to N'zerekore; B. Members of the Church in Guinea discuss with lead builder (left), including second from left to right brother Sam Williams, brother Zomy and brother Falikou; C. Negotiations have been made for best prices for materials; D. Abraham at the Bible Training College site; E. Construction progress on the first floor.

Bible Training College update – Phase 3 GOAL REACHED!

The Phase 3 support goal of \$15,000 for the Bible Training College Construction has been reached. This is an amazing effort and a big thankyou to all who have contributed. This support will go toward the construction of the second floor.

We are now progressing toward the fourth phase of construction which will be third and final floor, along with roofing and fit out (eg toilets, doors, chairs, tables, painting etc.). A final target amount is yet to be set for this final phase. However, it is likely to be greater than our previous target of \$15,000 given the additional costs in this finishing phase. We will have a better idea of costs following Abraham's current trip to Guinea. To date, \$1,285 has been provided toward the fourth phase.

Youth Bible Camp held by Belle Vue

After a long delay due to Covid, the brethren in Guinea were able to have their long-awaited Youth Bible Camp on the theme 'Salvation and the responsibilities of the Christian'. The camp was hosted by the Belle Vue congregation. Below is an excerpt from a report featured on page 23 of this update and a photo of some of the attendees.

In this quarter the assembly was able to organize a youth Bible camp. This was possible thanks to God but the good will of some brethren and sisters who contributed to the success of the said campaign. May the Lord richly bless them in hundredfold. The camp was attended by the other local congregations in Guinea that is to say: Cité de l'air, Ansumania and Yembeya (Conakry), Kissidougou, Gueckedou where good numbers of brethren and sister attended the programme, Macenta, Samoe,

Mohomou, Sokoura and Laine. Kouankan was the only assembly that did not attend the camp this trip due to some financial difficulties. It started on Thursday September 8th to Saturday September 10th. 168 attendants were counted during the programme.

Support Update

To date, a total of \$147,117.20 has been provided in support. This is an amazing effort and is helping our brethren greatly. Please refer to the attached statement of Income and Expenditure (Page 5) for detail on Mission Guinea support.

Mission Guinea Correspondence and reports – 29th July – 6th October 2022

Nathanial Boakai – Voinjama – 2nd August

Update of activities for both LISCO, Bazagiza and Prison Ministry

Guinea Mission Group

This is just an update for both brother Peter Tennis' visit to LISCO and our visit to Bazagiza. **July 1-2 2022**

Firstly, we are very thankful God for all of the activities carried up to these areas and pray that our Lord Jesus Christ will save souls and plant the church in these fields.

Brother Peter in LISCO -- July 8-10

Brother Peter left for LISCO on July 8, 2022, and returned on the July 11, 2022. The purpose of his trip was to follow-up on the Mid Baptist Church and bro. Kemah, who received Christ. Bro. Kemah needs prayers and our constant visit. The distance is far.

Because of our first engagement with this church, we were asked by them to regularly visit them.

The Church decided that we do this on the monthly basis; once every month. These meetings are intended to spread the gospel) through teaching and discussion of the Bible doctrine openly to the community members and the very Mid Baptist Church. It was through this open air preaching and teaching, the Bible subjects were openly discussed.

The following topics where highlighted while in LISCO for his three days stay in LISCO:

A. why do bad things happen?

B. Salvation

Bro. Peter in LISCO – Mid – Baptist. He is on the left after the lady in the with the glasses.

Brother Peter is on the right hand of the photo with the glasses on his head and members of the Mid –Baptist standing with him. He along made this trip to Lisco.

Brother Nathaniel S. Boakai & bro. Peter Tennis in Barzagiza ---- July 1-2, 2022

In Barzagiza first time, we were called by the pastor and members of the African Christian Fellowship International (ACFI) after listening to the Voinjama Church of Christ Back to Bible Radio Program. There in Barzagiza, we spent a day and a night with the church and the community for the so purpose of spreading the gospel of our Lord Jesus Christ.

The meetings were also an open air preaching and teaching.

During the night discussion, there were questions raised by those in attendance.

There were a lot questions asked, one was highlighted – What is the different between the Sabbath's worship and the Christian's worship?

We just highlighted that the priesthood was different to the priesthood of Christ. We are baptized into Christ. The Lord's Supper bread & wine represent the body and blood of Jesus Christ.

In Sabbath worship, the priests where from the tribe of Levi and especially Aaron and his children were the ones allowed to conduct the services; and that Sabbath Day worship, animal sacrifices were offered. It was just a summary of the question answer.

We have attached photos for review.

Pray with us that the Lord will save more souls and that the Mid – Baptist will receive Christ.

This is a night photo in Bazagiza. This is one the challenges.

Brother Boakai is right on the left hand next is the wife of Barsah and brother peter is next to her in the jacket. Pastor James Barsah is at the right hand and brother next to him. . This is our departure photo from Bazagiza.

We are in the raining season and we are in our rain gear.

Prison Ministry

Good news; we are very much grateful to the Lord for the released of both brother Weegie Bazzie and brother Jerry Dukuly.

Brother Jerry left for Zorzor District, especially in Fissibu town and we will continue to contact him and encourage him to remain faithful; brother Weegie, we are told, he will also be joining his father in Monrovia, the nation capital.

Brother Weegie, father communicated with us expressing thanks and appreciation to the Voinjama Church of Christ.

At present, we are left with brother Kalilu Boakai for now at the prison. We also pray for his release.

Our challenge is that, all of these brethren who received Christ at the prison after their released, they do not stay in Voinjama. To follow them is bid difficult because of the distances they are going; and to really help grow, is a serious issue.

Kindly pray with us that these brethren, will remain in the faith; and that, the Lord guide them, help them establish the Church in their areas.

May God give the increase in these fields; and continue to give us the wisdom and His guidance to reach out to the people with the gospel.

In Christ,

Nathaniel S. Boakai

2022 QUARTER 2 REPORT (APRIL – JUNE)

Dear brethren, Greeting to you from the brethren of Bellevue congregation in the mighty name of Jesus our Savior. Here is the report of activities in the local assembly for the past three months from April to June 2022.

We continue to pray God for total protection of His children wherever they are. Below is the structure of the report:

- 1. Spiritual activities
- **2.** Physical activities
- 3. Statistics on the Sunday service attendance, collect and baptism
- 4. Thanks giving
- 5. Prayer request
 - **I. Spiritual activities:** our worship service is regular every Sunday from 9:30 AM to 12:00 PM. The topic under discussion is "**SEARCH THE SCRIPTURES**".

The topic is very important in that it allows members and visitors to understand what the scriptures say to enable them to answer certain questions that may be asked of them.

Fast and prayer take place every first Thursday of the month instead Saturday. Church attendance varies by worship service. No soul was converted in this quarter. The church meets every Thursday to study Bible. All the families are doing good in health. At the end of the quarter, the assembly shared a fraternal meal that once again reinforce the love among brethren.

Thieves entered our preacher Amos Kpoyor's home in May and took away his computer, smart phone and our attendance record book.

The youth Bible camp will be held in September from the 8th to the 10th. This will bring together the youth of almost all the congregations in Guinea. One of the orators is from Evarist Laccote a brother from Ivory Coast.

II. Physical activities: the congregation continue to maintain the pigs in the pigsty initiated by Guinea Mission. All the pigs and piglets are growing well. (see photos below).

Jesus our Lord

III. Statistics on the Sunday service attendance, collect and baptism: about the statistics, our record book was stollen therefore the statistics record is missing reason for which the statistics table is not completed.

IV. Thanks giving: Thanks to God for his protection and provision for all His lovers through Christ Jesus around the world.

Guinea as whole is now corona virus free.

Our thanks to you for making the Lord's work to progress through your prayer and financial assistance. We received **GNF 433 000** from the Guinea mission as congregation assistance to meeting some needs. The preachers' support is well received by them every quarter. We are grateful to the donors

V. Request: we urge you all to accompany the local assembly in meeting their daily needs while life cost is getting higher and higher. Please keep us into your prayer for we are about to meet for the Bible camp so that everything can be done under the supervision of our Lord.

We will appreciate if help is provided to make new benches as the old benches used in the edifice are defective and insufficient.

2022 QUARTER 3 REPORT (July - September)

Dear brethren, we are pleased to greet you in the precious name of our Savior Jesus Christ with the hope that you are all doing good in body and in spirit. Here we present you the report of activities in the local assembly for the past three months from July to September 2022.

We continue to pray God for total protection of His children wherever they are.

Below is the structure of the report:

- 1. Spiritual activities
- 2. Physical activities
- 3. Statistics on the Sunday service attendance, collect and baptism
- 4. Thanks giving
- 5. Prayer request
- 6. Attendance and collect chart
- I. Spiritual activities:

our worship service is regular every Sunday from 9:30 AM to 12:00 PM. The topic under discussion is "SEARCH THE SCRIPTURES".

The interest of the topic is manifested by the way members and visitors aree curious to understand God's word through questions from them.

Fast and prayer take place every first Thursday of the month. Church attendance varies by worship service. No soul was converted in this quarter. Every Thursday the church meets for study class or go out for evangelism. All the families are doing good in health as in spirit beside some social and financial problems to which they are confronted, they keep their faith strong.

In this quarter the assembly was able to organize a youth Bible camp. This was possible thanks to God but the good will of some brethren and sisters who contributed to the success of the said campaign. May the Lord richly bless them in hundredfold.

The camp was attended by the other local congregations in Guinea that is to say: Cité de l'air, Ansumania and Yembeya (Conakry), Kissidougou, Gueckedou where good numbers of brethren and sister attended the programme, Macenta, Samoe, Mohomou, Sokoura and Laine. Kouankan was the only assembly that did not attend the camp this trip due to some financial difficulties. It started on Thursday September 8th to Saturday September 10th. 168 attendants were counted during the programme. Though the number of attendees was not that high but the camp was a success in its whole aspect. No soul was converted compared to the past campaigns but it helps the

church to be known in the community through a door-to-door evangelism which has permitted to welcome new visitors over the past weeks that followed the camp. Our spoke man Evarist Laccote a brother from Ivory Coast did not attend and was replaced at last by our brother Nestor Tonguino.

- II. Physical activities: the assembly completely cleaned up its worship place and beyond to allow have a healthy environment. We continue to maintain the pigs in the pigsty initiated by Guinea Mission. All the pigs and piglets are growing well. During the camp, two of the pigs were killed to serve as meat.
- III. Statistics on the Sunday service attendance, collect and baptism: about the statistics, our record book was stollen therefore the statistics record is missing reason for which the statistics table is not completed.

IV. Thanks giving:

Thanks to God for his protection and provision for all His lovers through Christ Jesus across the world. We also extend our thanks and appreciations to our brethren who in anyway contributed to the success of the camp. Not forgetting to mention the Niceville assembly, the Kerkura family of Australia and all the congregations in Guinea as whole.

Our thanks to you for making the Lord's work to progress through your prayer and financial assistance. We received **GNF 433 000** from the Guinea mission as congregational assistance to meeting some needs, this money was used to buy pigs' food. The preachers' support \$75 each is well received by them every quarter. We are grateful to the donors

V. Request:

we urge you all to accompany the local assembly in meeting their daily needs a factor to keep members close to their savior as the cost of living is getting higher and higher.

We will appreciate if you help us to make new benches as the old benches in the edifice are defective and insufficient now.

Regarding the pig project, we really appreciate it because it helps to provide meat to the church but we are confronted to serious financial problem in providing them food and drugs that are very now very expensive. We wanted to change that project with vegetable garden or another if the initiators do agree with us. As reminder the whole of our collect is invested in that while the church has other loads to carry. Please advise.

THE PREACHER AND LISTENERS

THE FAMILIA FM 105.3 CONAKRY RADIO SHOW:

The radio broadcast echoes

The Radio program carries an important echo in the mission of evangelization and especially the lessons of the Church of Christ are very particular which impress the listeners to hear teachings which are biblical but that their practice does the opposite within the denominations.

And we thank the donors who sponsor this program.

We pray that God bless them all in the name of Jesus Christ our Lord Amen!

COMMENT: Overall the quarter was full of activities, we saw the commitment of the brothers to the various programs of the local church with success. The seminar in the N'ZEREKORE Region which brought together more than 300 peoples, including 15 preachers present, took place in a very fraternal atmosphere.

The lessons taught were well understood and the various questions asked were the subject of fruitful discussions with possible satisfaction under the support of the Holy Spirit.

ENCOUNTERED DIFFICULTIES:

Despite the efforts made for the success of the activities, we experienced the following difficulties: during the trip from Conakry to N'zerekore more than 1000 km away, the state of the road is very degraded and the transport vehicles are mostly old with many breakdowns. unfortunately the church does

not have its own vehicle for the mission in Conakry. And ask you to help us get a mission vehicle for the Preacher.

We are asking for increased support for preachers given the current standard of living, for example in Conakry the preacher's house rents costs \$150 per month.

We thanks all the brothers of good will who support the work in Guinea and the evangelists in the name of Jesus Christ our Lord Amen!
